

## Bonus Terms and Conditions Document as:

**Otet-Bonus VD 10025-69**

### 1. Eligibility for Bonus

Users can participate in Otet Group Ltd's incentive plans based on the conditions outlined in each plan. To retain the bonus until the withdrawal stage, users must:

Cooperate with the authentication section for verification.

#### Fully comply with both:

as mentioned on client agreement for clauses:

19. General Trading Rules of Otet Group Ltd

20. Specific Rules for Incentive Plans

### 2. Bonus Amount and Allocation

The bonus amount and its allocation depend on the specific plan's conditions. Otet Group Ltd reserves the right to determine the bonus structure and distribution at its sole discretion.

### 3. Trading Volume Requirements

A user's trading volume may be considered a violation of general trading rules if it closely mirrors another user's trades in the same or opposite direction within a short timeframe. Trades and Positions in incentive plans are subject to heightened monitoring.

### 4. Bonus Duration

The duration of the bonus is specified in the plan's conditions and may be adjusted slightly due to holidays or group elimination hours.

### 5. Bonus Abuse & Prohibited Actions

All General Trading Rules and Specific Incentive Plan Rules apply. Any coordinated trading activities (whether in the same or opposite direction) that are intended to exploit the bonus system may be classified as abuse. In such cases, the broker reserves the right to take corrective actions.

### 6. Bonus Withdrawal Conditions

Bonuses are non-withdrawable and are intended only for trading support.

Any profits generated from the bonus, however, can be withdrawn under standard withdrawal policies.

## **7. Bonus Changes & Cancellation**

The broker may withdraw or cancel bonuses if a user violates any rules. Bonus removal may occur at any time, regardless of market conditions or account status.

## **8. Bonus Suspension**

The broker reserves the right to suspend a user's bonus if:

Suspicious activity is detected.

The user is deemed a potential risk to the broker.

Past violations suggest a risk of abuse.

The broker is not required to disclose the exact reasons for suspension as part of its risk management measures.

## **9. Dispute Resolution**

In the event of a dispute regarding bonuses, the broker's decision will be final and binding.

Users may contact customer support for clarification, but the broker maintains sole authority over the final resolution.
